To my patients at Greenhouse,

I wanted to let you know that I will soon be leaving Greenhouse Internists, with my last day being May 21, 2020.

Ever since I started working here in 2000, I have appreciated being part of this dynamic, diverse, and always interesting community. It has been a privilege to be such an intimate part of your lives. I have learned so much from each and every patient, and I hope I have served you well.

As of August, I will be joining Oak Street Health in Cheltenham.

With fond wishes for all the best for you and your families,

Melissa Schiffman, MD
