

As a Board Certified Primary Care Nurse Practitioner, **ALICIA LOPER** is trained in adult and geriatric medicine. She uses a holistic and caring approach to help patients achieve optimal health and address health challenges that they face over time.

Alicia received her Master's of Science Degree in Nursing from LaSalle University after completing her Bachelor's of Science Degree at Temple University. She completed her Associate's Degree and Nursing Diploma at Penn University and Frankford Hospital School of Nursing.

In her spare time, Alicia enjoys spending time with her family, watching her children play soccer, running and participating in an adult kickball league.
